

## ICY BOX IB-289-C3

### USB Type-C® enclosure with keypad encryption

#### Key features

- Strong AES 256-bit hardware encryption
- For 2.5" SSD/HDD, height up to 9.5 mm, capacity unlimited
- USB 3.0 Type-C® host with up to 5 Gbit/s
- Integrated keypad for password entry (up to 12 digits)
- Protects your important data from unauthorized access
- Toolless drive installation

#### Packing content

IB-289-C3, Silicone sleeve, USB 3.0 Type-C® cable, USB 3.0 Type-A cable, Manual

## The right choice for safety

The IB-289-C3 reliably encrypts your sensitive data with AES 256-bit encryption. The encryption is secured with your individual numerical code, which can be up to 12 digits long. Thanks to USB Type-C®, your enclosure will also be optimally equipped with the twist-proof connector in the future.

#### Technical data

<b>Model</b>	IB-289-C3
<b>Article no.</b>	60835
<b>EAN code</b>	4250078171713
<b>Brand</b>	ICY BOX
<b>Colour</b>	Black
<b>Material</b>	Aluminium, plastic
<b>Interface to host computer</b>	USB 3.2 (Gen 1)
<b>HDD size</b>	2.5"
<b>HDD height</b>	Up to 9.5 mm
<b>HDD interface</b>	SATA I,II,III (6 Gbit/s)
<b>HDD capacity</b>	Unlimited

One free USB 3.0 Type-C®/Type-A port on your host computer; One empty, backed up or new 2.5" SATA drive

## ICY BOX **IB-289-C3**

PCIe extension card with M.2 M-Key socket for an NVMe SSD

### Data security is a top priority

With AES 256-bit encryption, your sensitive data is securely, reliably and in real time protected from unauthorised access. Access is only possible with your individually created numerical code, which may contain up to 12 numbers.

### Safely on the move with USB Type-C®

The USB Type-C® connection enables operation on the latest computers without the annoying insertion of an adapter. And if still only a USB Type-A connection is available, the right cable is included in the scope of delivery. Your sensitive data can be transferred at up to 5 Gbit/s.

### Simple, fast, toolless

The installation of data media can be done easily and super fast without tools. Hard disks and SSDs up to a height of 9.5 mm can be inserted into the enclosure. The small foam insert in the lid ensures a firm hold even for 7 mm SSDs.

#### Logistical data

**Packing unit:** 40 pcs. / carton  
**Total weight:** 12.0 kg  
**Gross weight (with packing):** 0.278 kg  
**Net weight:** 0.089 kg

**Dimension/carton:** 480x450x225 mm  
**Dimension (with packing):** 45x100x200 mm  
**Dimension of article:** 125x77x17 mm  
**Country of origin:** China
